2021 SCHOOL VOLUNTARY CONTRIBUTIONS

Each year the Hawker School Board requests a **voluntary financial contribution** from families. This annual contribution goes directly towards supporting your child's education. This year our fantastic Librarian Jen Holland is really hoping to undertake a significant amount of work in our school library. Just like the much loved book, *The Very Hungry Caterpillar*, our library resource centre is undergoing changes and physical transformations. The photos below give an indication of the contemporary library we are hoping to create. Our library is the heart of our school, a place where our students love to learn and spend time. This transformation will strengthen the quality of educational programs we are able to deliver.

For 2021, the Hawker School Board recommend a voluntary contribution of \$120 for families with only one child at the school (including Preschool) and \$210 for families with two or more children at the school. However, voluntary contributions of any amount are appreciated.

You may nominate which fund your voluntary contribution is made to:

- **Tax Deductable Library Fund.** Money in this fund is used for library resources including the proposed library renovation.
- **Voluntary Contribution Fund.** Money in this fund is used to support student learning across a range of curriculum areas.

Thank you for your support
