

# HAWKER SCHOOL

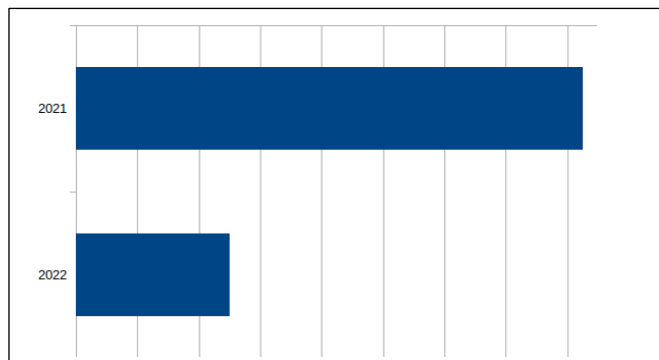

## Reminder

### 2022 SCHOOL VOLUNTARY CONTRIBUTIONS

Dear Hawker families,

I would like to take this opportunity to remind families of the value our contributions make to the running of the school. Your voluntary contribution goes directly towards supporting your child's education and providing additional resources for the classroom and library. While it is not compulsory to contribute financially to government education, any monies provided as voluntary contributions go towards enhancing the education our children receive here at Hawker School.

Our contributions are considerably down from last year as per the table below:

The Hawker School Board has not changed voluntary contribution for the last 5 years and continue to recommend \$120 for families with only one child at the school (including Preschool) and \$210 for families with two or more children at the school. However, voluntary contributions of any amount are appreciated.

You can nominate which fund your voluntary contribution is made to:

- **Tax Deductible Gift Fund.** Money in this fund must be allocated to resources for the school library.
- **Voluntary Contribution Fund.** This year the Board, in consultation with the P & C, has allocated money in this fund to be used to support student learning, school programs or specific resources.

Thank you for your support

Ben Elliston - Hawker School Board Chair
