

HAWKER SCHOOL

Hawker School's Acceptable use of ICT

Dear Parents/Carers,

At Hawker School we aim to create a safe environment where students become knowledgeable and discerning about material they discover and create when using ICT. We will assist students in determining which information is valuable and valid. Students also need to be aware that there are rules relating to the appropriate use of the internet, Google Applications for Education and school devices. As a result, we have developed the Hawker School Acceptable use of ICT Code of Practice for Students.

Please read and discuss the following Hawker School Acceptable use of ICT Code of Practice with your child. Once you have read through and discussed this together, please have your child tick each box and sign to demonstrate they understand and agree to the Code of Practice. Please sign as the parent/guardian before returning the Code of Practice to the school.

Parents and carers are encouraged to discuss and demonstrate safe and acceptable practices when children access the internet at home.

Yours sincerely,

Alison Reid
A/g Principal

HAWKER SCHOOL

Hawker School's Acceptable use of ICT Code of Practice for Students (Junior Years)

This ICT Code of Practice has been developed for students at **Hawker School** when they are using their school account and school devices.

- ☐ I will only use the school computers when my teacher has given me permission.
- ☐ I will use kind words when communicating with others.
- ☐ I will only use my school log-on for school activities.
- ☐ I will use gentle hands and take care of my device.
- ☐ I will tell my teacher if I'm worried about anything to do with my device.
- ☐ I know that my teachers can see all my work on my device.
- ☐ I understand that if I don't follow these rules, I may not be able to use my device.

I declare that I have read and understood the Hawker School's Acceptable Use of ICT Code of Practice.
