

United Taekwondo

Lunch time @ Hawker Primary

Taekwondo is an effective and fun martial art that can build children's confidence, coordination and respect for people and possessions. The children who participate in the Hawker Primary Taekwondo Lunch Club will practice effective and practical self defence skills, and gain strength, flexibility and socialisation skills. They will do partner empathy exercises and even experience basic meditation in a safe and friendly environment. They can also work their way towards getting their junior black belt after years of practice! 😊
