

Dear Parents and Carers,

Hawker School is excited to be offering Year 2 and Year 3 students the opportunity to acquire essential life skills in water safety and survival through Royal Life Saving ACT. We have a booking for 13th-17th December 2021. Year 3 sessions will be held at 11:55am. Year 2 sessions will be held at 1:00pm.

The ACT Education and Training Directorate provides substantial funding for Year 2 students in ACT Public Schools to participate in the new Royal Life Saving ACT *Aqua Safe* program – a series of 5 practical and 5 theory lessons focussed on general water safety and personal aquatic survival skills. This targeted approach will ensure every participating student has the opportunity to access structured aquatic activities during primary school. This year, we have been able to extend this offer to our Year 3 students who missed the opportunity in 2020 due to Covid restrictions.

The cost of the program is **\$50 per student**.

To ensure your child's inclusion in this year's program, please complete the attached permission note and return to school no later than: **6th December 2021**.

Sincerely,

Lisa Fairlamb
Hawker School-Junior Team Leader
