Year 6 Market Day Online – Family Pass

Dear Parents/Carers,

Market Day is an anticipated annual event on the Hawker Calendar and is used each year to raise funds to cover the costs involved in the Year 6 Graduation celebrations as well as a Year 6 gift to the school. Unfortunately, due to the Covid-19 Pandemic, we have been forced to make adjustments to our annual Market Day event to ensure the day can run in accordance with current restrictions and ACT Government directives.

Our Year 6 students have been hard at work creating a solution to this problem and have settled on the idea of an Online Market Day experience that the whole school can enjoy for more than just one day.

For a one-off payment of \$5, families will be emailed a 'Family Pass Link' to our Market Day website. This Link can be used by every member of your family and grants you full access to our Market Day site. The site includes recipes, tutorials, online games, access to the Year 6 photography studio and much, much more. Every piece of content or material has been created by a member of our Year 6 cohort.

We have also compiled a list of prizes that we will be raffling off to lucky contributors. Raffle tickets cost an additional \$1 on top of your purchase of a Family Pass. When filling out your purchase order, please specify how many raffle tickets you would like to purchase. To simplify the prize drawing process and to ensure it is Covid safe, we will allocate tickets to families. If your family name is drawn, the prize will be delivered to the eldest student in your family to be taken home.

In addition to the online activities and resources, we will also be selling products through a 'Click and Collect' model. Talented Year 6 students have been working hard to create a variety of products that we are sure you will love. For more information on this, see the 'Click and Collect' tab once you have access to the Market Day Online website.

From all the students and Teachers in Year 6, we thank you for support and hope you enjoy Market Day Online.

Sincerely,

Year 6
