

Dear Parent/Caregiver,

We are ready to start using the Education Perfect program in French class for students from Years 3 to 6. It is a language learning tool which can support a student's acquisition and retention of vocabulary and grammar. We have been given free access for the Education Perfect Championship which commenced this week and will finish in Week 8 of Term 1.

As part of the French program at Hawker School we will be using Education Perfect for the remainder of the year and students will be able to access it at school and at home. We have been able to negotiate an awesome deal for Years 3 to 6 and we are asking families for a contribution of \$10.00 toward this program.

If you have any enquiries about the program or will have difficulty paying the full amount at this time, please do not hesitate to contact the school.

Kind Regards,

Prudence Roveta
French Teacher
