

National Botanic Gardens

Dear Parents and Carers,

The Year 1 students have been learning about the features of living things and Minibeasts in our Science Inquiry Unit. To help us consolidate our learning and apply our classroom experiences to a broader setting, we have organised a fantastic excursion to the National Botanic Gardens.

The excursion will be on Thursday, 20th May 2021. During this visit, students will participate in a 2 hour guided tour which will allow students to explore the habitats of Australian Minibeasts and examine the needs of these creatures. We will then participate in the Indigenous Plant Use Tour. We will explore the natural environment of the Botanic Gardens and how Indigenous people use native plants to make food, medicine, tools, weapons and clothes.

Students will need to bring their recess and lunch with them on the excursion.

We are looking forward to the exciting event.

Kind Regards,
Shannon Murray and Amanda Thomas
